Letter of Recommendation Request Form – Mr. Forrest (2017-2018)

Students wishing to have Mr. Forrest submit a letter of recommendation need to hand him the following materials all at one time. Please check them off to make sure you have everything you need. He needs a minimum of two weeks to write a new letter of recommendation for you, and a minimum of one week to revise an existing letter for a new location. He will either (a) mail the letter himself, (b) get the letter to your counselor, or (c) submit the letter online through Naviance. EACH request for a letter of recommendation needs to have one of these forms filled out. Following this format will help me write the best possible letter for you. Finally, please make sure you waive your right to see my letters; if you don't feel comfortable waiving your rights then you need to ask another teacher for your recommendation.
